

Sr. Project Manager - Metals

Job Type: Full-time

Schedule: 8-hour shift, Monday to Friday

Office Location: Wyomissing, PA.

Salary: Commensurate with experience

Job Description

Ideal candidate is a project engineer with heavy industrial manufacturing and project management experience. Experience with metals manufacturing, machine design and fluid systems is preferred.

Company Benefits

- Excellent work-life balance and flexible work week
- Growth opportunities within the organization
- Paid overtime, time off and sick days
- 401(k) matching
- Insurance plans

Education/Experience

Required

- A.S. Mechanical Engineering or equivalent Technology degree. Equivalent work experience may be accepted for otherwise well-qualified candidates.
- Strong experience focused in performing project management functions; managing scope, schedule, and budget.
- Thorough understanding of mechanical and fluid systems.
- Familiar with various software suites such as MS Word, MS Office, MS Excel, MS Project, and AutoCAD.

Preferred

- B.S. Mechanical Engineering or equivalent Technology degree.
- 10 years related experience.
- Demonstrated knowledge of current codes and mechanical standards - including ANSI & ASME.
- Experienced in Oracle Business system, MS Word, MS Excel, MS Project, Revit and AutoCAD.
- Experienced in managing contract resources and working with outside suppliers.
- Capable of working independently and within a team framework.
- Experienced in developing project conceptual designs and budgets as well as funding requests.
- Metals industry experience.

RPA Engineering is a professional engineering consulting firm offering comprehensive mechanical, electrical and process engineering, machine design, structural analysis services, project management, and CQV. Operating for more than 30 years, RPA provides high quality, cost-effective engineering and design services from its Wyomissing, PA headquarters; Pittsburgh, PA; Valley Forge, PA; Knoxville, TN; Venice, FL; and Raleigh, NC regional branches; and onsite corporate services.

RPA Engineering was named in 2010 to the Inc. 5000 list of fastest growing U.S. based entrepreneurial companies. As part of the list, RPA Engineering was named as one of the top 100 Engineering firms in the country.

RPA Engineering is an equal opportunity, affirmative action employer of protected veterans (M/F/D/V). Attention Search Firms / Third Party Recruiters: RPA Engineering is not seeking assistance or accepting unsolicited resumes from search firms for employment opportunities with RPA Engineering. Regardless of past practice, all resumes submitted by search firms to any employee at RPA Engineering via e-mail, the Internet or directly to hiring managers at RPA Engineering in any form without a valid written search agreement in place for a specific position will be deemed the sole property of RPA Engineering, and no fee will be paid in the event a candidate is hired by RPA Engineering as a result of the referral or through other means.
